Dear 2008 Donators:

Thank you for your generous donation to the William Monroe High School, All Night Long After Prom Party 2008. Without your help, this event would not provide a safe, fun and alcohol-free night for our students to attend after their school prom.

Many of you might not be aware that this event is run by parent volunteers. It is supported entirely by fundraising efforts by the parents and the generous donations of our community.

Thank you for supporting the 2008 All Night Long After Prom Party at WMHS.
